

2012 RIDGWAY CHAINSAW CARVERS RENDEZVOUS

December 1, 2011

Greetings!

Appalachian Arts Studio is excited to announce that the 13th annual Ridgway Chainsaw Carvers Rendezvous is fast approaching! This year, historic downtown Ridgway, Pennsylvania has agreed to host the Rendezvous on Main Street. Please join us in making the week of February 18th—25th, 2012 the best show yet! This event has grown into the most internationally respected and well attended chainsaw carving event in the world. We would like to extend an opportunity to your company to market to a global audience by becoming a sponsor for this event.

Over two hundred carvers from across the nation and around the world, come to Ridgway, the "Mecca" of chainsaw carving, for this annual event. This event has grown over the years to host approximately fifteen thousand spectators, with the numbers increasing each year. This event was founded to promote the art of chainsaw carving, and has grown beyond our expectations. Each carver is asked to donate one piece for the auction that is held the last Saturday of the event. In return, the money earned from the auction is used toward supporting event. In the past 13 years the event has grown beyond what the auction can support, and has been kept alive through generous sponsorships and donations from companies like yours.

For more information on sponsorship opportunities, please see the flier included in this mailing. To become a sponsor for this event, please fill out and mail the following form to the address provided below. Please feel free to contact me with questions or concerns!

Thank you in advance for your consideration!

Sincerely,

Liz Boni,
Ridgway Chainsaw Rendezvous Event Manager
